Billy Bob's Texas - 81 Club

From the inception of Los Alamitos Race Course in the '50's, the name Vessels has been synonymous with class, professionalism and quality.

Bonnie Vessels was very instrumental with the development and day to day operations of Vessels Stallion Farm in Bonsall, California, where many of today's auction personnel worked during the Vessels' Stallion Farm annual horse auctions. That legendary farm was home to many great horses but none more famous than the immortal First Down Dash, World Champion and multiple Champion sire, multiple All American Futurity Sire, inducted into the AQHA Hall of Fame in 2011 and considered by many horsemen to be the greatest race sire of all time. His legacy began with his sire, Dash For Cash, also a World Champion and Champion sire and Hall of Fame inductee.

Our industry lost two Champions when we lost Frank "Scoop" Vessels in a private plane crash in August of 2010 followed by the loss of First Down Dash, at age 26, only three months later, on Thanksgiving Day. Bonnie shared ... "he laid down and went to sleep peacefully ... missing Scoop and his sunflower seeds." Dr. Ed Allred, our sport's all-time leading breeder, referred to First Down Dash as an 'incredible' and 'great' horse and in one word ... "amazing."

Although it's not been easy, Bonnie Vessels has had the strength and courage, with the support from so many special friends, to carry on the Vessels Legacy and today, she'll be sharing much of what she's enjoyed for many years. "These items are all beautiful, genuine and very special, but it's simply time to allow someone else to enjoy some of our Vessels' historic collection."

"I hope you'll all enjoy your purchases as much as we've enjoyed them and sharing their stories."

Bonnie Vessels

Our team is honored to offer you such a fabulous collection, representing the legendary Vessels family history.

A 10% buyers premium will apply on every item for buyers attending the live on site auction. A 15% buyers premium will apply to each item of personal property purchased online. The buyers premium will be added to the highest winning bid to determine the purchase price. All buyers must be properly registered prior to bidding and to receive a bidder's number. No exceptions.
3. The highest bidder will be the winning bidder on each item as acknowledged by the auctioneer. In the event of a dispute between bidders, the auctioneer will have the final discretion to determine the winning bidder or to immediately resell the item in dispute. All items must be removed from the premises within 24 hours of the conclusion of the auction. Unless prior arrangements have been made and accepted by B A RIGBY Auctions, items not removed by the specified deadline for removal will be charged a storage and handling fee of \$10.00 per day per item until removed.
5. If B A RIGBY Auctions is prevented, for whatever reason, from making any item available for pickup and/or shipping, our liability shall be limited to the sum actually paid by the purchaser for said item.
6. B A RIGBY Auctions reserves the right to withdraw any item prior to the auction without liability or recourse of any nature.
7. The auctioneer reserves the right to reject any bid not proportionate to the value of any item offered.
8. If any applicable conditions herein are not met by the purchaser, B A RIGBY Auctions may either cancel the sale, retaining all payments made by the purchaser as liquidated damages or resell the items at public auction without reserve whereas the purchaser in default will be liable for any deficiency and costs including handling charges and any and all related expenses of both auctions.
9. In the unlikely event that we lose Internet connection with the online auction provider, B A RIGBY Auctions reserves the right, in its sole discretion, to cancel the remainder of the online auction and proceed with live on site bidding only.
